CONDITIONS OF SALE.

This is a **bona-fide** public sale, for **prompt cash settlement,** and irresponsible persons who are not sure whether they can pay for what they bid on, **are asked not to bid.** The cataloguer has taken special pains to describe **each** lot accurately. Errors will be corrected, but he reserves the sole **right** to decide upon any claims. **These are the only conditions** under which bids **will** be received.

Coins and medals are sold at **so much per PIECE,** and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c. up to $2.50, when 10c. advance must be bid, up to $10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in a lot and you wish to pay $5.00 for the entire lot, then bid $1.00.

Auction sales are **strictly for cash.** Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

We will send a printed list of the prices realized for this sale, for $1.00 **cash to be sent in advance.**

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.
